

Dear Friends of Lititz Springs Park,

The Lititz Springs Park will be holding the annual Christmas in the Park event on December 1, 2023. This community tradition has become a winter time delight which features the lighting of the Community Christmas tree and the Illumination of Luminary bags surrounding the stream. We will also be displaying our beautiful 100 point Moravian Star. Sharing in the traditional carol singing, watching performers on the bandshell's stage and warming in the glow of the holidays with friends and neighbors makes this event one of our time-honored customs in this special community.

Lititz Springs Park does NOT receive public funding for upkeep. It relies heavily on the generous giving of citizens of the community — citizens like you who appreciate the park. Your contribution will not only assist with the expenses of the Christmas in the Park celebration, but will help with continued maintenance of the Park, and maintaining the Creche on the Memorial Square.

With its incomparable beauty, especially during the holiday season, the Lititz Springs Park continues to be a community legacy. Our Park is a place of community pride.

If you are interested in financially supporting this event with a sponsorship donation, please complete the following form with your remittance by November 15th to Lititz Springs Park, PO Box 701, Lititz PA 17543 or you can donate online by scanning the QR code below. As a sponsor, your name/logo will appear in our program with additional recognition in our digital content and on the night of the event.

The Board of the Lititz Springs Park is grateful for any and all contributions that are made to ensure this event can continue to be a beloved tradition in our community.

Sincerely,

The Christmas in the Park Planning Committee
